浸大運動員勇奪世界硬地滾球賽冠軍

Ho Yuen-kei (China Studies, Year 2) won a gold medal in the BC3 Individual event of the Fazaa World Open Boccia Competition – Dubai 2016.

Through her participation in many international competitions, Yuen-kei has accumulated comprehensive experience and sharpened her skills, giving her the confidence to believe that she would make it to the top three of the event. With the encouragement and support from her coach and teammates, she realised her incredible potential which helped her clinch the championship title.

With the Paralympic Games being held this September in Brazil, Yuen-kei, as a member of the Hong Kong Team, has been devoting herself to intensive training and feels she cannot slack even after winning such a big event. She is looking forward to the training camp which will take place this summer as her coach has invited a number of athletes from different countries and cities to join the training camp so that team members can know more about different strategies of the game and enhance their competition experience.

浸大學生何宛淇（中國研究二年級）在杜拜舉行的硬地滾球世界公開賽中，勇奪BC3個人賽冠軍。

宛淇表示，在參與多場世界賽累積經驗以及提升技術後，一直有信心打入三甲，再加上得到教練、隊友的支持及鼓勵，以及臨場發揮應有水準，終於成功取得冠軍。

巴西傷殘奧運會將於今年九月舉行，作為香港代表隊成員，宛淇一直積極備戰，並不會因為今次獲獎而鬆懈。她期待即將在暑假舉行的訓練營，因為教練特別邀請了不同國家的運動員參加，希望透過交流及集訓，幫助隊員了解更多不同比賽方法及策略。
